

BEDMINSTER TMO

Bedminster TMO is now an incorporated Company Limited by Guarantee – Registration number XXXXXXX.

This does not mean that the TMO is now ‘Live’. It means that the company now formally exists that will allow the TMO to trade when it does ‘Go Live’.

Only tenants & leaseholders can own the company, and as the company is non profit making there will be no shareholders dividends payable – ever.

To own a share in the company, you need to buy a share at 10 pence. This form allows you to buy a share. Any tenant/leaseholder within Bedminster TMO’s Area of Benefit can buy a share. Buying a share gives you a right to vote at our AGM (which we will be arranging soon). Only shareholders can vote at our AGM.

In buying a share you are entering in no other obligation. The share is a one-off payment, is non-recoverable & you will be issued with a receipt for your 10 pence.

I would like to buy a share for 10 pence & become a shareholding member of Bedminster TMO Ltd. I understand that I am under no obligation to become actively involved.
